Elan 31 | Red Kite | 023 8045 7110

Overview

The Elan 31 is effortlessly manageable for short-handed cruising while also being competitive on the race course. Well-mannered and sturdy, it embodies the ideal all-rounder. As a comfortable cruiser, it offers accommodations for six and a complete set of domestic amenities.

Owner's comments 'Over the past two years, she has enjoyed light sailing in the Solent, mainly day sails, but I haven't been able to use her as much as I had hoped due to work and family commitments. She has been under professional management with HPYC, ensuring she receives the proper maintenance. I've also chartered her lightly to keep her active rather than letting her gather dust at the dock and to help with some of the running costs. She's in excellent condition, fully maintained and serviced, and it's hard to say goodbye to such a wonderful vessel.'
