

Learn to Sail with Hamble Point Sailing School

Hamble Point Sailing School is a fully recognised RYA Training Centre offering the full range of RYA sail cruising courses. RYA qualifications are known, recognised and respected the world over.

All our practical courses take place on one of the high-quality and comfortable boats from our fleet. Not only are these exceptionally well maintained yachts, but should you wish to progress into chartering, you will be able to sail on a boat you are already familiar with - which makes that first charter easier and less stressful.

"An outstanding experience. I have completed my RYA Day Skipper and now Coastal Skipper with Hamble Point Sailing School, both were positive experiences on great boats with excellent tuition."
- J Manchini

We are fun! We are more of a sailing community than just a sailing school. In addition to the full range of RYA practical, theory and shorebased courses we also run regular social sailing trips, ladies only courses, Caribbean sailing and our own specialist courses.

Scheduled Courses or Private Tuition

We specialise in crafting our training to your needs and offer two distinctly different routes towards your qualifications; join our scheduled RYA Courses or engage an instructor for private tuition on dates to suit you.

Scheduled Courses

Join one of our classroom* or practical courses with one of our superb RYA Instructors.

Practical courses are run with a maximum of 5 students to ensure plenty of instructor time for each student.

*Courses are delivered in association with our partner organisations

Private Courses & Own Boat Tuition

Whether you have gaps in your knowledge, would prefer to carry out your RYA training in a less public environment or would like to learn with your own family and friends on dates of your choosing, private RYA tuition provides this opportunity.

Own boat tuition is available if you have your own yacht.

RYA Courses - Route Map and Course Formats

Please contact us for advice on which course is right for you, to book on, or check availability.

Other Social Sailing Events and Brush-up Courses

Sailing Taster Days - the perfect way to try sailing in a stress free environment. An ideal gift.

Book-a-Berth Weekends - join a crew of likeminded people plus a skipper for a weekend sail. Meet new people, have fun, practice new skills and log tidal miles.

Milebuilders - book a berth on a longer passage to gain experience and log additional miles.

Half-day or Evening Skippered Sail - your group has exclusive use of our yacht plus experienced skipper for a half-day or evening sail. A great way to introduce friends, family or colleagues to sailing!

Skipper Skills Weekend - a weekend brush up course for rusty skippers or those wanting to improve, focusing on boat handling, mooring and man over board recovery.

Cruise in Company Weekends - charter your own yacht (with or without skipper) and cruise in company 'flotilla style' to an agreed destination for an overnight stop.
